
NOTE: George Vierhus is on vacation. Guest columnist this week is Dean Chamberlin, local educator and currently mayor of Campbell.

THE EXPERIENCE OF writing this column suddenly gives one a lot more respect for George Vierhus. Each week, as I have perused his rendition of "Out on the Limb," there has been a tendency to accept the material as written chit-chat, apparently achieved without effort.

But as I have sought for ideas to include in this week's offering, and have wrestled with sentences which wouldn't quite shape up, I have arrived at a completely new conclusion – it just isn't all that easy!

Not that there is a shortage of local news and issues to write about. Probably there is more going on in town right now that at any time in the last ten years.

We have a major state election just two weeks away and on the same ballot we will decide whether or not to establish a county-wide transit district.

There is a major hassle in our Elementary School District, and a municipal referendum election has been set for Dec. 8 on the perennial third screen controversy.

At least three sizeable citizen groups are planning appearances on zoning or road closure issues. The annual negotiations with city employees over salaries and working conditions are just starting.

So – for those in city government – it gets pretty complicated sometimes, but never dull.

AND THAT BRINGS ME to the message I feel needs to be emphasized – now and frequently – in Campbell and throughout our country.

The little guy, the voter, is still supreme, particularly in a small town such as ours. This can be great, but only if the citizens take the trouble to inform themselves on the issues their ballots will decide.

And understanding must mean more than the passive swallowing of the propaganda thrown out by those whose personal interests slant their presentations.

We, in our homes and offices, our clubs and neighborhood groups, wherever people meet and converse, should frequently turn our attention to the candidates and the propositions of the coming elections.

We must delve deeper than the exchange of the usual jokes and slogans, and analyze beyond the level of wishful thinking which demands from government more benefits and lower taxes.

We must identify the key questions involved in the outcome, and decide – each for himself – wherein his best interests lie.

Only then can democracy work.

-0-

AN EXAMPLE? YEAH, I could give a lot of them.

There is one upon which I had to make a difficult decision recently. It concerns the rezoning of the property just north of the existing Winchester Theatre to permit a third screen instead of high density apartment development.

One could probably write about eight volumes concerning the history of this squabble.

But to me, the key questions NOW seem to be:

1. Since there is no public road for access, is it good planning to build 244 apartments and expect the occupants to get in and out through either a drive-in theater or over a 30 foot private road which belongs to someone else?

2. In view of the com-

JayCees offer city three more signs

Three more entrance signs, similar to the one pictured above located on W. Campbell Ave., were expected to get approval of the City Council on Tuesday night (meeting after press time).

The first entrance sign was erected by the Campbell JayCees as a civic project and the organization has requested Council permission to install three others to be located:

(1) on the east side of San Tomas Expressway at Los Gatos Creek; (2) on the east side of Winchester near Division and (3) on the north side of Hamilton adjacent to Breuner's parking lot.

A letter suggesting three more signs was submitted to the City Council by Mike Kennedy, JayCee project chairman.

The city staff has suggested that the location of the sign near Breuner's should be changed because that area is scheduled to be widened in the near future.

The Council on Monday, Nov. 9 will revert to its regularly scheduled Monday meetings the second and fourth Mondays each month.

Last week's meeting was changed to Tuesday because of Columbus Day falling on Monday. Most of the Councilmen, as well as a number of staff personnel will be at the League of California Cities convention on Monday in San Diego, Oct. 26, so the Tuesday meeting was scheduled.

Last night the Council was also expected to wrap up the new agreement with San Jose Cable TV by modifying the franchise ordinance which will allow the City to charge above the established franchise rate. The new agreement will provide for a $7500 annual fee above the 2% franchise fee.

The agreement also allows San Jose Cable TV to charge $5.95 for monthly service instead of $4.95.

On Tuesday also the Council received a status report on the Nelson Brothers building at 275 E. Campbell Ave. with respect to the exterior improvements suggested for the building. The building had been occupied by the business office of the high school district until June and is now leased to Campbell Office Machines.

At the Oct. 13 meeting, the Council by a 4-1 vote (Councilman Ed Rogers dissenting) adopted an ordinance modifying the city regulation that specifies that a drive-in theater must be more than 1000-feet from a residential area.

The Council on Oct. 13 unanimously adopted the classification pay plan for city

Carpenter hurt in roof fall

Carpenter Boyd C. Rappe, 56, 205 W. Rosemary Lane, fell Monday afternoon from the second story roof of the Campbell City Hall's construction project next to the existing city offices. Rappe was confined to Campbell Community Hospital with lacerations and contusions. The accident occurred during the late afternoon.

In an auto accident last week, Dennis Bashta, 20, 5165 Englewood, San Jose, rolled his vehicle over after hitting the San Tomas off-ramp. Bashta told Campbell Police that a van, driven by Michael E. Wasch, an employee of Good Samaritan Hospital, suddenly changed lanes going north on Winchester. No injuries were reported.

Myrryl A. Block, 234 N. Second, reported to Campbell Police that her house was entered on Monday and two televisions and watches were removed. The residence was ransacked, with the contents of drawers and closets dumped out.

Rave's Hair Fashions, 2215 S. Bascom, reported that entry was made sometime in the early hours of Monday and some louvered glass panels in the entrance were removed to allow entry. Currency, and coins valued at $70 were taken and a radio valued at $70 according to James M. Burgos, manager-owner. The thief or thieves first attempted to enter through an adjacent empty building.

Rolling Hills kids turn out for cleanup

About 80 youngsters who attend Rolling Hills School went on a cleanup campaign last weekend and came back weary, but proud.

Castlerock State Park and Big Basin State Park were the settings for a cleanup campaign which saw the youngsters pick up bags of debris from the trails.

Co-sponsors of the cleanup

Embattled board meets Thursday

Campbell Union School District's board of trustees are scheduled to meet at Monroe School, 1055 S. Monroe, on Thursday, Oct. 22 at 7 p.m.

The trustees, whose last public meeting resulted in a split vote action which demoted Superintendent Neal Royer to the position of principal at Forest Hills School, will hear a report from the finance committee which they appointed last August who subsequently, but unofficially, suggested to the trustees that they ask for the resignation of C.E. Bradley, district business manager for the past 16 years.

At the Oct. 8 meeting, the motion to demote Neal Royer, superintendent for the last six years, was made by Richard M. MacQuiddy, board president and supported by trustees Eleanor Graham-Armstrong and Ralph Steinberg.

Trustees Judy Ruscigno and James Gilliland voted against the motion, after a motion to table by Mrs. Ruscigno was voted down.

The motion by MacQuiddy included promoting Jim D'Avis, assistant superintendent, to acting superintendent and moving Fred Peterson, principal at Forest Hills School, into the district office as administrative assistant.

Royer was demoted to principal at Forest Hills, continuing at his salary of approximately $30,000 per year, as his contract has three years to go.

The agenda for Thursday night also lists a number of communications including two from the Campbell Elementary Teachers' Association and one from the West Valley Federation of Teachers.

It is not until the board takes up old business that Ken Burmeister, chairman of the Citizens Finance Committee, will present the final report of that committee.

Some of the other items on the agenda include reports on upper grade conferencing program, Rolling Hills walking path, policy committee recommendations, and postal inspection.

One trustee, Judy Ruscigno, has indicated she intends to request that a study be made of the increasing noise problem at Moorpark School, bordered by freeway and a busy commercial street.

Recall plans to be presented on Friday night

Citizens who met two weeks ago to discuss the recall of Campbell Union (elementary) School trustees Eleanor Graham-Armstrong and Ralph Steinberg will hear a report from their elected committee at an opening meeting on Friday, Oct. 23, 8 p.m. at Rosemary School, according to W. Dale Hume, recall committee chairman.

Bob Bullard, president of the Campbell Chamber of Commerce, and a non-resident of the school district, will chair the meeting, as he did when interested citizens held

(Continued on Page 2)

Planners request council to adopt interim zone

Campbell Planning Commission voted unanimously Monday night to request that the city council at their meeting on Tuesday (too late for press time) adopt an interim zoning for all residential property within the city for 90 days.

The motion, made by Dale Scott, would require that builders of all residential structures, including single family dwellings, would have to appear before the planning commission and council for approval. During the interim the planning commission and council would study the general plan and hold public hearings, reviewing lot sizes, building coverages and general conformity.

Also during their meeting the commission approved architectural plans for an office building at 651 Division St. by Saf-T-Way Development Co. and one for a 102-unit apartment complex at 825 San Tomas Aquino Rd.

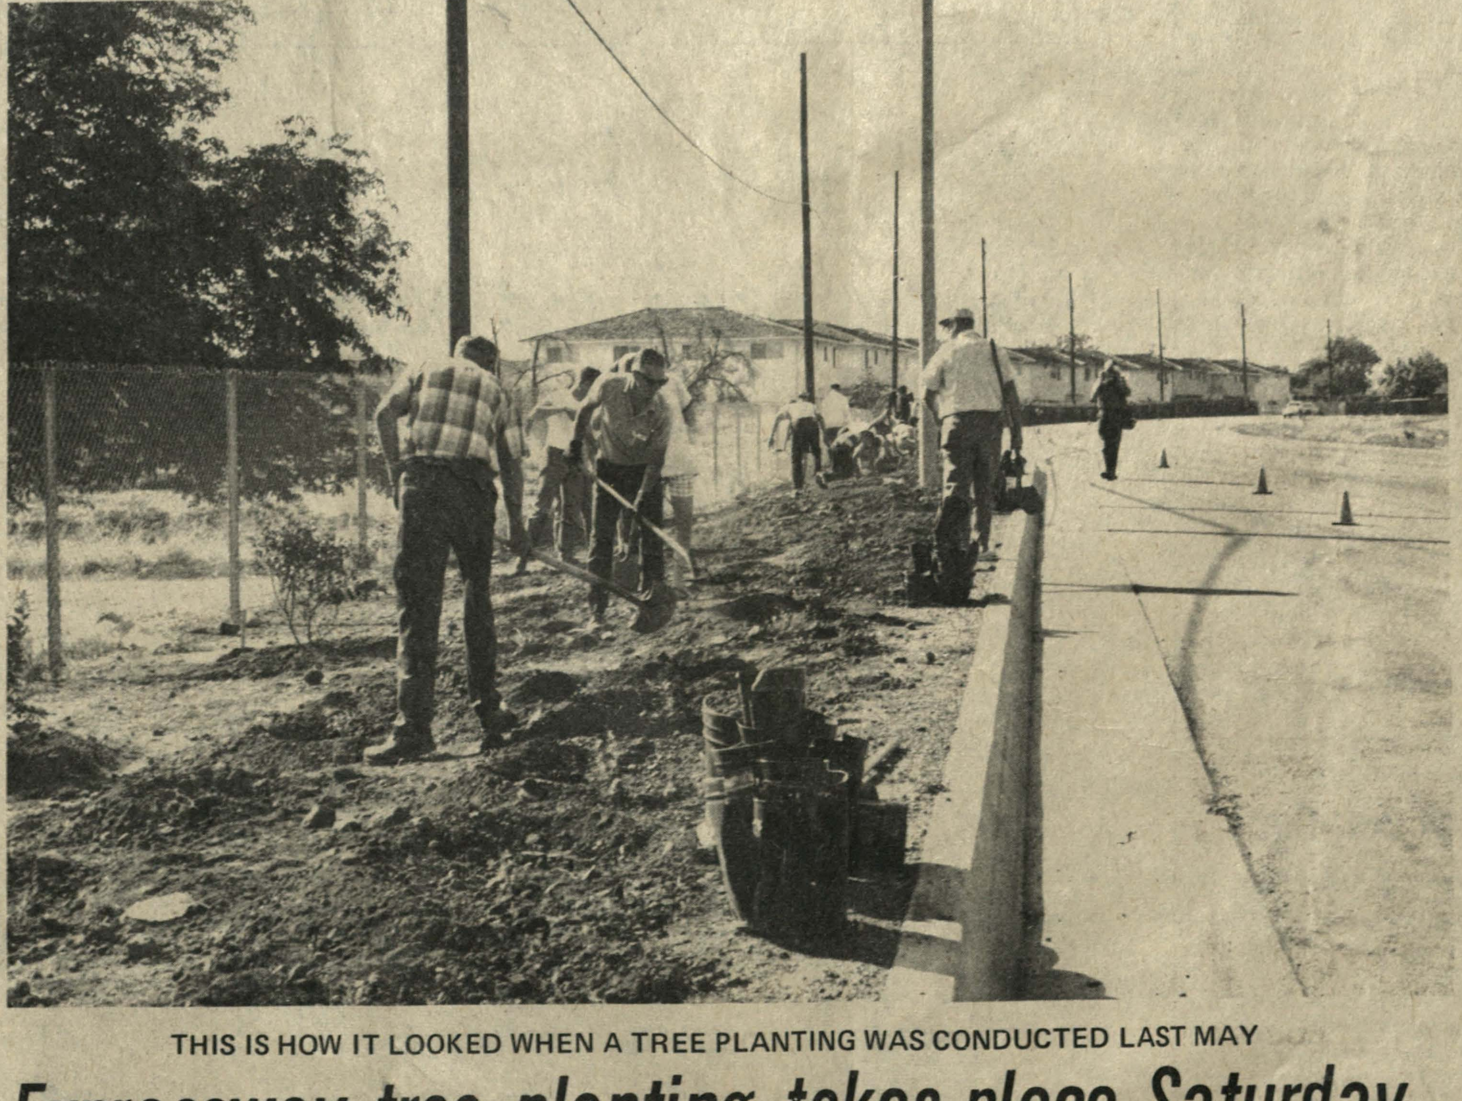
One item out of four under public hearings was approved; that for Shell Oil Company's application for a use permit to allow a service station on property located on the southwest corner of Campbell and Bascom Avenues.

Other items, that for Dick's Automotive Center to establish a towing and storage yard at 210 Curtner and another for Kunkel-Thomas Co. for a zone change on property located at 802 and 830 Sunnyoaks Ave., were continued.

Commissioners requested that information on existing towing and storage yards within the city be provided. The Sunnyoaks Ave. zone change was continued to Nov. 2 in order to allow the developer, staff and neighboring property owners to confer.

On a fourth public hearing, the commission recommended that the council deny the Royal Development Co. a special development permit to construct a 72-unit apartment complex on the basis that the plans did not meet architectural and site standards for the area (Gale Drive between Marathon and Darryl Drives).

TO BE HONORED — Alma Fanning, charter member and past president of the Campbell Business and Professional Women's Club will be honored at a dinner at Los Gatos Elks Club tonight (Wednesday), Oct. 21. Mrs. Ruth Church Gupta, San Francisco attorney will be featured speaker.



THIS IS HOW IT LOOKED WHEN A TREE PLANTING WAS CONDUCTED LAST MAY

Expressway tree planting takes place Saturday

A tree planting activity along San Tomas Expressway from Budd to Williams Road (east side) is planned for Saturday, Oct. 24 at 8:45 p.m., according to Jeanette Watson, chairman of the Campbell Citizens for Beautification.

Members of service clubs and ecology classes from Rolling Hills school have already volunteered to bring their shovels to this second planting event along the expressway. Over 500 trees will be planted in a joint effort of the county public works department and the committee.

Final plans for the activity were laid at the committee's meeting last Thursday, at which time they also discussed the need for additional trash cans along city streets and also paid high compliments to the many merchants who have cooperated in their efforts to have "A" frame signs removed from in front of commercial businesses.

Mrs. Watson also reported the loss of the beautification scrapbook entered in a national contest last year. The book was apparently lost by the carrier in return shipment.

Any interested citizen is invited to participate in Saturday's workday and meet at the northeast corner of San Tomas and Hamilton at 8:45 a.m.

PUTTING IT OUT—Campbell and San Jose fire units responded to a call from Bonanza Home Centers, 1750 S. Bascom, Monday evening and extinguished a blaze in an outside storage area. Owner Jerry Kritzer said no estimate of damage was available, and that speculation on the cause of the fire was an electrical short. The early evening blaze was discovered by one of the store's employees. Shooting flames and black smoke brought residents and motorists into the area in large numbers.

Editorial

Keep a cool head

Cool heads are needed as the community of Campbell (or rather the citizens of the Campbell Union [elementary] School District) face a severe crisis in the operation of the district.

Undoubtedly it is the most grave situation that has ever confronted the district in its history and is one that is charged with the highest degree of emotionalism.

That something has to be done about the ineffectiveness of the school board as it is presently constituted seems to be generally admitted.

This newspaper has gone on record advocating the recall of two of the trustees, Ralph Steinberg and Mrs. Eleanor Graham-Armstrong, because we sincerely feel that until there is a different alignment on the board the district will be in a chaotic condition.

We are well aware that the three members of the board who have placed themselves in what we consider an unenviable position have support for their stand from various segments of the district.

Yet even those who so militantly carry the banner for the three trustees who are now on the spot must admit that the present situation is untenable.

We grant that under the present circumstances, there is a majority of the board who have done the so-called "hatchet work" on the superintendent and that it follows that the same three, now that they have made their point, will defend their stand to the utmost.

We recognize also that those who are intent on the recall of the two trustees will attempt just as vigorously to condemn the action or inaction of those two trustees.

There is no question but during the ensuing months as the recall movement gains impetus that the air will be clouded with innuendos, with charges and countercharges.

Some of the charges obviously will be without foundation and the attacks will be of the most vicious nature.

It will be difficult for all of us who are interested and involved in this situation to keep our cool.

We realize, of course, that to keep the issue on a sound basis without involving emotions and personalities is almost an impossible task.

Yet all who are involved on both sides should try.

As the recall movement gets under way, there are a number of points that should be clarified.

To begin with, one of the most militant defenders of the three-vote majority on the board is the organization labeled the West Valley Federation of Teachers.

A representative of this organization has been much in the forefront during these hectic days as the issue that now confronts the citizens of the district was being crystalized.

The AFT representative, however, refuses to reveal how many teachers his group represents. We think this is grossly unfair.

The representative has loudly taken a stand on the current issue. Even at the mass meeting called expressly for those interested in recall movement, he was given the floor more than any other single individual that evening, although his adverse position was well known.

It is a public record that the membership of his group is "too small" to be represented on the teachers negotiation council. But "too small" is a nebulous term.

The unfairness of this type of "endorsement" is that it gives the impression that the representative is speaking for a much larger membership than is an actual fact.

Now when cool heads are needed to analyze the problems and to work toward resolving them, it is no time to play games with numbers.

We are well aware that two people can form an organization and that organization then can go "on record" for or against an issue.

If the AFT representative has only six or less members in his organization, as has been reported, then that should be noted for the record.

But we maintain that it is unfair to give more credence to such action than the situation warrants.

The problem that now confronts the district is not a "union matter" or solely the province of any single teacher or parent organization.

It is a district problem.

And all of us in the district are concerned.

Let's all try to keep a cool head with our feet planted firmly on the ground.

were the Sierra Club and the Santa Cruz Mountain Trail Association.

An invitation was first issued to Rolling Hills' two ecology classes by West Valley College student Carrie Robertson, according to Cliff Ellyn, Rolling Hills ecology teacher.

The response was tremendous and Saturday morning at 8 a.m., parents and students met at the school to participate. About 1000 persons participated and 12 Rolling Hills students took part in handmaking shingles for some of the hiking sheds, resulting in plenty of blisters, but without any mishaps, Ellyn reported.

Recall plans

(Continued from Page 1)

their first meeting, following the demotion of Superintendent Neal Royer by the district's board of trustees on Oct. 8.

Hume has extended an invitation to parents and voters of the district to hear his report, stating that the meeting's purpose was to inform the public on the procedures which will be followed in filing the petitions.

Only two of the trustees who voted to demote Royer can be recalled at this time, Hume said, as no petition for recall of a trustee can be filed if that member is within the first or last six months of his term.

A separate petition must be filed for each member for which recall is desired and the petition must be circulated by a registered voter residing within the school district.

Other stipulations include filing the petition with the county superintendent of schools before any signatures may be obtained and keeping the statement stipulating the recall grounds under 200 words. Hume is expected to report that one of the recall committee's premises will be the trustees' apparent inability to perform as a team.

The exact wording of the petition will be read at the Friday night meeting.

Among the items to be discussed are approximate costs to initiate recall proceedings.

employees as recommended by City Manager Bob Stephens.

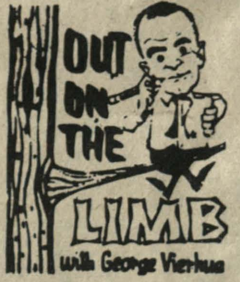
Stephens explained that the plan established a uniform occupation terminology and in general would systemize and facilitate the determination and execution of many personnel policies and transaction.

At the same meeting, the Council authorized that the arguments on the ballot in the Dec. 8 referendum election would outline the Council's position. City Attorney Joe Bonacina was directed to prepare the arguments.

JOB OPENING

The City of Campbell is currently accepting applications for the position of Clerk-Stenographer in the office of the city manager, 75 No. Central Ave. Salary range is $533-$652. The position requires dictation speed of 80 w.p.m., and ability to take shorthand. Applicants must be high school graduates with one year of clerical-stenographic experience.

MORE ABOUT



(Continued from Page 1)

plaints about how tough it is to live near a drive-in theater, is it smart to build 244 more residences for citizens of Campbell even closer to the existing screens?

3. Does anyone really believe that the government of Campbell would ever approve another drive-in theater on a choice parcel of land anywhere else in town?

4. If the city council – or the electorate – forces a zoning which is impossible to develop, thereby inflicting damages which a court might sustain; who will pay the bill?

-0-

MY VOTE ON THIS issue is a matter of record.

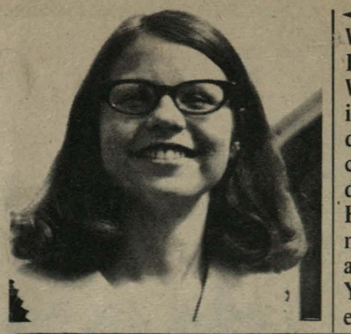
I decided that the third screen would be the least damaging course for the city under the circumstances.

On Dec. 8 the voters will support or overrule this action on the part of their council.

I will certainly accept their mandate, as they must accept its consequences.

There are many more issues, of much greater comlexity and import, which the voters must act upon these days.

May we, as citizens, recognize our terrible responsibility in this role, and carry it out with wisdom diligence, and success.



WRITE - IN CANDIDATE— Barbara Ruhnke, a student at West Valley College majoring in liberal arts, is a write-in candidate for St. Lucy's parish council election. Miss Ruhnke, daughter of Mr. and Mrs. Henry P. Ruhnke, 2254 Maximilian Dr., is seeking election as the candidate of St. Lucy's Youth Council in the Oct. 25 election.

FUND RAISING

Campbell Parent Nursery School located at 528 N. Harrison, will be having a booth at the flea market on Berryessa Rd., Sunday, Oct. 25. This is one of three fund raising events held each year by the participation group.

A carload of money that shouldn't, leaves California every day.

You–and Proposition 10–can do something about it.

Hundreds of millions of dollars will leave California this year—never to return. Hundreds of millions more that should come in will go out instead to 45 other states with more modern laws. About ¾ of a billion dollars in all that should be spent here for new construction—generating thousands of new jobs.

Why?

Because large business loans can earn far more interest in almost every other state in the nation. That's why New York passed a law like Proposition 10 way back in 1850.

Proposition 10 will put an end to this money drain. And do it without costing you a penny or affecting the interest *you* pay in any way. (In fact, it might even lower it in the long run.)

How can Proposition 10 guarantee this?

Because it only applies to loans over $100,000, made to corporations and partnerships. The kind of loans so vital to the construction industry.

The State Legislature passed Proposition 10 unanimously and Governor Reagan signed it. Former Governor Brown supports it. So do business and labor unions. But their endorsement can't make it law without your YES.

Your YES on 10 November 3rd will keep California money here, where it'll do the most good.

Paid for by Californians for Yes on 10.
State Chairman: Art Linkletter
Vice Chairmen: Hon. Tom Bradley, Hon. Edmund G. "Pat" Brown, Roger Kent, Gordon C. Luce, Mrs. Irene Parsons Mann.

For more jobs! Vote YES on 10.

Now, both gas and electric ovens clean themselves.

You don't have to clean your oven any more. It cleans itself. New gas and electric ovens do their own dirty work. See them at stores everywhere. PG and E

Catherine Haumesser marries Dennis Osaki

MRS. DENNIS OSAKI

Catherine Mary Haumesser was dressed in ivory silk organza with chantilly lace and pearls when Dennis Akira Osaki of Cupertino claimed her in services at St. Lucy's Church recently.

Rev. William T. O'Keeffe read the vows for the young couple in the afternoon services.

Elizabeth Fletcher and Lucille Osaki of Cupertino preceded Catherine down the aisle as maid of honor and bridesmaid, respectively. Both were gowned in deep purple and carried purple straw flowers and white starburst pom-pom mums.

Catherine's bouquet was a cascade of stephanotis, with a center corsage which was later removed for her going-away costume. Her elbow length veil was held by a double tiara of lace and pearls.

Wilfred Shaw Haumesser gave his daughter in marriage, while his wife attended dressed in emerald green lace with matching shoes and purse and a pink wide-brimmed hat. Her corsage was a white orchid.

The groom's mother, Mrs. Vera Osaki of Cupertino, wore a turquoise gown with matching accessories and also had a white orchid corsage.

Dennis is taking graduate work at San Jose State College and is studying personnel and management, while his bride, a former West Valley College student, is employed by Cardiff Affair Apartments.

Stanley Koehler was best man and David Pugh ushered guests to their seats, where white satin bows of lily of the valley decorated each pew.

Before leaving for a wedding trip to Lake Tahoe, the newlyweds entertained 200 guests at Paseo de Palomas where Cathy formerly lived with her parents. Among the honored guests were her godmother, Mrs. Beatrice Jones of Vancouver, Washington, and her aunts, Mrs. Genevieve Sugrue and Mrs. Beatrice Markley of Chicago.

SIDEWALK SHOW

Creative Artists Group will hold a sidewalk show entitled "Fall Festival" at West Park Plaza on Friday, Saturday, and Sunday from 9 a.m. to 7 p.m. Approximately 30 artists and craftsmen have registered to participate according to Bea Griffin.

St. Lucy's YLI plans holiday bazaar Friday

St. Lucy's Y.L.I. will hold a holiday bazaar this Friday, Oct. 23, from 9 a.m. to 9 p.m. at St. Lucy's Hall, next to St. Lucy's Church.

General chairman is Mrs. Joseph Sylvia, who will be assisted by Mrs. William Buchholtz.

Mrs. Frank Ambrosini is in charge of the kitchen which will feature pizza, donuts and coffee.

"Ye Little Old Bake Shop" will have a host of homemade goodies, according to Mrs. William DeRosa. Doris French will be in charge of the white elephant table.

Christmas candles and cards will be sold by Mrs. Jack Mardesich. A hand-crocheted afghan is slated to be given away during the evening, according to Mrs. Charles O'Reilly.

Publicizing the event are Mrs. Yvonne Boudreault, Mrs. Clyde Hamilton and Mrs. William Chivers.

BAZAAR PARTICIPANTS--Three ladies who'll be participating in the bazaar at St. Lucy's Hall Friday are, left to right, Mrs. William DeRosa, Mrs. Dan Wolf and Mrs. Joseph Sylvia, displaying items available at the Y.L.I. event.

Campbell women chair antique show

The Annual Antiques Show and Sale sponsored by San Jose's Episcopal Churchwomen of Trinity is scheduled again for November 6, 7 and 8, with Mrs. Carroll Soderer as general chairman and Mrs. Sam Brown as co-chairman. Both are Campbell residents.

This annual event is staged as a fund-raising effort for the group, with proceeds going to church work. This year, which is the 12th for the event, a major portion of the funds will be contributed to the building fund for a new parish house at Trinity. It is one of the oldest Protestant churches in Santa Clara Valley, a landmark at 81 North Third St., San Jose, at St. James Park.

The show will be in Jay McCabe Hall, in the San Jose Civic Auditorium Building, San Carlos St. and Almaden Ave., San Jose. A $1.25 donation will be asked at the door.

It is anticipated that 37 displays will be up for the event, in addition to Grandma's Cupboard, where churchwomen sell goodies made from old-time recipes. Also in Grandma's Cupboard will be sour dough starters and recipes.

VOLUNTEERS NEEDED

The West Valley Mental Health Center is currently seeking volunteers for the various programs of the Center. Volunteers of all ages are needed to help with children's and parent's groups, arts and crafts, receptionist and clerical activities. All inquiries are welcome. For more information, contact Mrs. Wanda Alexander, coordinator of volunteer services, 379-7020.

WESTGATE SHOW

Mrs. Jackie Flitcraft won the public opinion popular vote award for a Seascape at the Campbell Artists Guild's fall art show at Westgate Shopping Center recently. Other ribbon winners for best in their catagory were: Jean Glissman, Alice Cox, Beverly Booth, Jackie Flitcraft and Armando Delgado.

GARDEN CLUB LUNCH

Santa Clara Valley District Garden Clubs Inc. will feature Mrs. Wallace F. Hirsch, a prominent flower arranger, from Ridgecrest, third vice-president of California Garden Clubs Inc., in a program on Friday, Oct. 23, at 10.30 a.m. at St. Marks' Church, 1957 Pruneridge Ave, Santa Clara.

Following the program, a luncheon will be served at 12:30 and door prizes will be given. An elegant "Juncque" table and "Tracy Hamilton" dresses will be available.

Phone Mrs. C. Buran 293-2294 or Mrs. J. Lindquist 296-4784 for reservations.

ECOLOGY TALK

West Valley Republican Women will meet on Thursday, Oct. 22, Royal Fork Restaurant and hear Mike Cobb of the Santa Clara County Republican speakers bureau, whose topic will be "Progress of Current Status of Legislations Relating to Ecology." Business meeting is at 11 a.m. and lunch at 12 noon. Local members include Mrs. Ralph Hyde, Mrs. Edna Smith, Mrs. Marie Coombs and Miss Aileen Cowdery.

Lucettes hold pot luck Monday

"Lucettes" of St. Lucy's Parish will meet on Monday, Oct. 26, from 11 a.m. to 2 p.m. A potluck luncheon will be held at 12 noon, with special invitations to all seniors in the community to attend.

Program for the day include games and prizes with special entertainment by "junior" Mark Harville, who will conduct a sing-a-long. Young Harville currently conducts the young people's choir at St. Lucy's folk mass on Sunday evenings.

Campbell High P.T.A. holds flea market

Everything from soup to nuts, and then some, will be available for shoppers on Sunday, Oct. 25, when the 2nd Annual Flea Market is held at the Campbell High School parking lot. The event, sponsored by Campbell High School P.T.A., is a major fund raising project of the organization.

According to Mrs. Robert Ross, general chairman of the Flea Market, those wishing to rent space and sell valuables may do so by calling her at 378-6125. Mrs. Bruno Bicocca may also be contacted for space rentals at 379-1858. Space rental is $2.50.

In addition to the many opportunities to buy, sell, swap or trade merchandise, entertainment will be offered throughout the day, and lunch will be available.

"The high school parking lot takes on the festive air of an old-time carnival," Mrs. Ross said, "and we hope all residents of Campbell will come out and join the fun."

CONCERT

The first of a series of Sunday afternoon chamber music concerts being sponsored this season by the Los Gatos - Saratoga Symphony will be held on Oct. 25 at the Los Gatos History Club. An ensemble of faculty members from the Humboldt State College music department will perform, free of charge, in a program beginning at 3 p.m. The History Club is located at 123 San Jose Ave., Los Gatos.

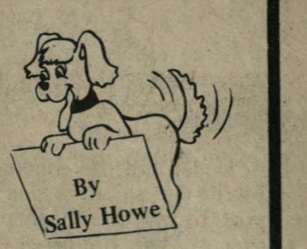
Bringing up fido



Seems as though I'm frequently in danger of repeating myself in this column.

To educate the dog owner and his non-dog owning neighbor is my aim. I want you, as a dog owner, to give your pet the finest care possible and I also want your pet to create the best possible impression.

Barking dogs, loose dogs, excess puppies, messy yards are bad for the dog, for you and for your neighbors.

Barking dogs create a bad impression of all canines plus they can have all kinds of effects on the persons being disturbed.

Loose dogs frequently endanger the lives of persons riding in cars, usually because the drivers are trying so desperately NOT to hit them.

Excess puppies are a problem in so many ways. If indiscriminately placed in homes, they can become the barking dog or the loose dog — who lives in the messy yard!

Messy yards are unforgivable. Daily clean-up takes only a few seconds if done right — and it makes such a difference (especially to your neighbor when he glances over the fence and is immediately reassured that the compost pile and not your Fido, is responsible for his fly problem.)

If you are a true dog lover, take the best possible care of your dog, and hopefully your example will have meaning to other dog owners. Nothing would suit the true dog lover more than to have a real crack-down on strays.

* * *

Here's a dog show you can go to!

Santa Clara Valley Kennel Club is sponsoring a puppy "match" in the family park of the county fairgrounds on Sunday, Oct. 25.

This is a "fun" event to which no admission is charged. Puppies up to 18 months of age will be "judged" and an all-age obedience match will be held.

If you own a purebred dog and want to enter, you must do so by Thursday, Oct. 22. Contact Miss Baechle, 257-2214 for information.

* *

A young lady approached me recently and asked if her friends could obedience train their dogs or if they might be too old.

"How old?", I asked. "One is two and the other is three", she confessed.

Needless to say I was surprised that anyone really felt there was such a thing as "too old." "Too young," yes, as I don't believe in any truly formal training before four months of age. (That doesn't include housebreaking or leash breaking.)

As far as an upper age is concerned, I don't believe there is any! I've personally seen eight year old dogs enter a beginning obedience class and do beautifully.

One of the things the trainer of a young puppy must concern himself with is to the puppy's natural exhuberance, for he wants to channel his energy, not suppress it! The owner of an older dog already has a companion who loves and trusts him and has a lot less to worry about!

ENCHILADA SALE

ON CAPITOL HILL

with “Charlie“ Gubser

Under normal conditions, I write an “end-of-session” report to my constituents this time of year. But because the Senate developed such a backlog of House-passed bills, the present Congress will continue after the election for the first lame-duck session in about 30 years. So I will use the short space in this week’s ON CAPITOL HILL to report on my three major activities of the current year.

MY LAI INVESTIGATION – Four House members were selected to conduct a delicate and in-depth investigation of an alleged cover-up of the facts surrounding the My Lai incident which occurred March 16, 1968. At the outset, it was widely predicted in the nation’s press that we would “whitewash” the incident.

All four of us recognized this as the most difficult assignment of our careers, but resolved to do a thorough job. We heard more than 100 witnesses in executive session, took thousands of pages of sworn testimony, and went to Vietnam. We scrupulously avoided making judgments of criminality and instead focused upon the manner in which the Army investigated itself.

Finally we submitted our report, which was lauded in the nation’s press as one of the most candid, frank and far-reaching Congressional reports in recent years.

INDEPENDENT RESEARCH AND DEVELOPMENT (IR&D) is an operation of the Defense Department which is so vague and complex that few have taken the time to understand it. In over-simplified terms, it means that defense contractors, like the manufacturers of commercial items, must continually conduct primary or basic research in order to find new techniques and products for which there will be a market.

The cost of this research is recovered as part of the price paid in the marketplace by future customers. Without IR&D no American business could exist, including the Defense Department. Certain Senate amendments emasculated the program and would have effectively frozen the Defense Department out of basic research. As one executive told me, “The Senate amendments would be the beginning of the end of the capability of American industry to provide what the national defense needs.”

I was assigned the responsibility of defending the House position and am pleased to say I was successful in eliminating the objectionable features of the Senate amendments. We improved control of IR&D, but we did not emasculate it.

CONGRESSIONAL REORGANIZATION was finally passed after more than a month of debate when the House decided reorganization of its antiquated procedures was long overdue. One of the most significant accomplishments of my career was cosponsorship of the amendment to eliminate secret voting and reveal how each Congressman votes on each issue.

There were other accomplishments in the year such as securing a study for an aerospace museum, getting construction funds for the Pacheco Tunnel, and serving on the stimulating and vital Task Force on Earth Resources and Population. Unfortunately, space won’t allow a full report on these activities.

RETIRED MEET

The American Association of Retired Persons will meet Friday, Oct. 23, in Richards Hall of Saratoga Federated Church, at 10:30 a.m.

PHARMACY PHACTS

By
Allan
Blaine

Scientists are experimenting with the use of electric shock to galvanize the body into mobilizing its white blood cells. This method could be used to fight infections.

* * *

An old Russian cure for a hangover: wear an eighteen pound weight around the neck.

* * *

Anti-weather pills, designed to chase the blues brought on by climatic conditions, have reportedly been developed by Polish scientists.

* * *

Mayapple, a common plant found in meadows, along roadsides, and in woods, is easily recognized by its one or two umbrella-like leaves. It is highly toxic and can cause severe digestive upset.

* * *

Never stop taking an antibiotic prescription after you begin to feel better unless your physician has been notified. Inadequate dosage, particularly with antibiotics, can be dangerous to your health.

* * *

For modern service with old-fashioned courtesy, bring your prescriptions to

CAMPBELL

M C s b
E L R A

By Dawn Stoudinger

The name Dawn Stoudinger belongs to a girl who attends Campbell High School, who is a junior, and who just happens to think that people and school activities are really neat.

This person belongs to me.

Hi, I guess you should know a little bit about me. I was born in Tracy, California, on March 21, 1954. I’m either a Pisces or Aries, depending on the source of astrological material you are reading.

I lived in Watsonville most of my life until about two-and-a-half years ago when my family moved to Campbell. I’ve had many memorable and varied experiences while living here.

Just one example of this was learning to drive and getting my driver’s license in August. But my biggest accomplishment was skipping finals week when I was a sophomore, due to entering the hospital with all my organs and leaving with all but one, my appendix!

Like I said before, I really dig school activities and people and that’s what this column is all about, but I’d just like to say one thing “if you’re not involved, get involved in school activities.”

This is a quote that I heard over and over my freshman and sophomore year and I never paid any attention to it. I just thought–who needs it?

But I think I’ve met more people and done more things this year, than both my other years put together. So now I’d like to share with you and give you a head start on the activities going on at Campbell and just a few of the people involved with them.

SPORTS

Oct. 22, will start off the activities. There will be a Frosh-Soph football game with and at Camden, at 3:30. Lonnie Grider, Steve Thatcher, and Dan McGuire, all sophomores, are just a few of the outstanding players on the team. On the same day there will be a C and D basketball game at Branham at 3:30. Bob Pack, Denny Malone, Joe Parisi and Mike Smurthwaite will be in there scoring to win.

Cross-country track with Camden will begin at 3:30, there. You will be able to see Burt Hume, Bill Bransome and Frank Reddick running their fastest to the finish line. Girl’s sports will have a meet at Saratoga at 2:30.

FOOTBALL

Oct. 23, the Varsity football team will meet Camden at Campbell at 3:30. Joe Alvarez, Kelly Davis, Steve Davis, Brad Harrison (player of the week for Oct. 5-9), Sam LoBue, Randy Wetterstrom and Scott Skilliman (the only sophomore player on the team) will be among the lineup.

To entertain the spectators will be the swinging Pirettes. Carol Kocjan, Valerie Chance, Sandy Ellis, Vickie Ferrari, Gloria Haro, Kathy Huddleson, Sindy McKay, Penny Scott, Sandy Spivey, Patrice Trevoledes, Teresa Tuttle and Rickie Mann are the great looking members. (Grrrh!).

Also will be majorette, Ingrid Berghout, twirling her way to the field amidst the spectacular flag girls, who are Cindy Sato, Sue Shalk, Cherie Stephensen, Marianne Sylvia, Ann Tuttle and Debbie Wright.

On Oct. 25, there will be a flea market in Campbell’s parking lot, presented by the P.T.A.

BASKETBALL

Campbell’s C&D basketball team will play against Westmont at 3:30, here on Oct. 27. Then on Oct. 29, we’ll play Branham here for the Frosh-Soph football game at 3:30. Prospect will challenge our C&D basketball team, here at 3:30 also. “C” trials for Girl’s Sports will be held at Camden at 2:00.

Varsity football will be played at Branham, at 3:00 on Oct. 30, 1970.

SENIOR PLAY

One of the coming events at Campbell is the senior play called “The Mouse That Roared”. Rob Anderson and Jeanne Triana have the leads in the play. I urge every one to come, if you can possibly make it. It will be on Nov. 5 and 6.

STUDENT BODY

Before I leave you, there’s one last important job, the introduction of our new and fantastic student body members. Mike Brown is president, Steve Brown is vice-president, and the council members are Rick Angelo, Barbara Williams, Terry Bullian, Jerry Fournier and Craig Fischer.

We all appreciate the combined efforts of the student council and hope they will work as hard for us and be as involved as they have been.

At last, thank you to every person who contributes. We all love it!

Camden High Notes ♪ ♩

By Linda Kent

The students at Camden High School were officially greeted and welcomed back to school, by ASB President, Jeff Byron, at an assembly in the gym, Sept. 14.

The new faculty members were presented to the student-body. Along with the new teachers being introduced, was Mrs. Pate, new junior counselor. Two new P.E. teachers will join the P.E. department this year. They are Mr. Holland and Mr. Kuhn. Mrs. Strickler will be a new home economics teacher. Mr. Holley will join the math department, while Miss Jamieson will teach English I.

Mr. Nave will join the other sophomore science teachers, along with Mr. Kuhn.

* * *

During the assembly, the Song Girls provided the entertainment, and the new Spirit Commission of 1970-71 introduced themselves.. Song girls are Michele Kaneko, Cindy Stemel, Aileen Brown, Holly Heath, Sally Stangohr, and head song girl, Denise Sabblone. Also on hand at the assembly, were Varsity cheerleaders, Patty Ayers, Deanna Ferrante, Mary Pettis, Robin Lacomble, and head, Michele Fleury, who is also the present spirit commissioner. Lettergirls are Val Harland, Kathy Adams, Sherie Odem, Vickey Heath, Joyce Cremona, Liza Witzel, Heidi Heath, Michelle Griesemer and Julie Fuller, head lettergirl.

* * *

Class of ’74 had their first elections for the fall semester. Posters, programs, speeches, and a lot of energy, aided the winners throughout their campaign. Outcome of the election left Paul Chaplin as president, Diana Puz vice-president, Lisa Arthofer, secretary, Lilli Aguilera as treasurer, and Karol Thompson keeping things in order as sgt. at arms.

LEGAL NOTICE

RESOLUTION NO. 2906

BEING A RESOLUTION CALLING GENERAL MUNICIPAL REFERENDUM ELECTION, CONSOLIDATING AND DESIGNATING VOTING PRECINCTS, LOCATION OF POLLING PLACES, HOURS THE POLLS WILL BE OPEN AND APPOINTING ELECTION OFFICERS AND PROVIDING FOR THEIR COMPENSATION, AND AUTHORIZING CLERK TO GIVE NECESSARY NOTICES.

WHEREAS, on the 25th day of August, 1970, there was filed with the City Clerk of City of Campbell, a good and sufficient Referendum Petition seeking the submission to the electors of City of Campbell the question of whether Ordinance No. 739, amending the zoning ordinance of City of Campbell, shall or shall not be repealed.

WHEREAS, Tuesday, the 8th day of December, 1970, is the time fixed by statute for the holding of a General Referendum Election, and

WHEREAS, said Referendum pertains to Ordinance No. 739, amending the zoning ordinance of the City of Campbell, and

WHEREAS, the City Council is required by statute to make its order designating voting precincts, the polling places therein, the hours during which the polls will be open and to appoint election officers.

NOW, THEREFORE, BE IT RESOLVED AND ORDERED THAT pursuant to law, said General Municipal Referendum Election be held on Tuesday, the 8th day of December, 1970.

BE IT FURTHER RESOLVED AND ORDERED THAT election polls for the voting at said election shall be open at 7 o'clock A.M. of said day and close at 7 P.M. of said day.

BE IT FURTHER RESOLVED AND ORDERED THAT existing County Voting Precincts in the City of Campbell be consolidated and become voting precincts for said City Election.

BE IT FURTHER RESOLVED AND ORDERED THAT the City Council appoint one inspector, one judge, and two clerks for each of said precincts to serve as election officers thereof, and they are as follows:

BE IT FURTHER RESOLVED AND ORDERED THAT a list of polling places and election officers be submitted by the City Clerk to the City Council for acceptance by resolution, and the publishing thereof, within the time prescribed by law.

BE IT FURTHER RESOLVED AND ORDERED THAT the City Clerk shall give notices as are required by law for the holding of said election.

PASSED AND ADOPTED this 13th day of October, 1970, by the following vote:

AYES: Councilmen: Doetsch, Podgorsek, Rogers, Smeed, Chamberlin
NOES: Councilmen: None
ABSENT: Councilmen: None
APPROVED: Dean R. Chamberlin, Mayor
ATTEST: Dorothy Trevethan, City Clerk
PUBLISH: Oct. 21, 28, 1970

LEGAL NOTICE

RESOLUTION OF INTENT TO DEDICATE EASEMENT OF PROPERTY NOT NEEDED FOR SCHOOL PURPOSES

WHEREAS, the CAMPBELL UNION HIGH SCHOOL DISTRICT has been asked to dedicate an easement of property not needed for school purposes to the SANTA CLARA COUNTY FLOOD CONTROL DISTRICT, State of California, for flood control and/or storm water drainage purposes, in, over, upon and across the District's property located at the Prospect High School; and

WHEREAS, the conveyance of such an easement over the property to be affected thereby is considered to be in the interest of the School District and the citizens in said School District, and will not adversely affect the real property of the District or its usability for school purposes; and

WHEREAS, the Board of Trustees of said School District does hereby declare that such easement has no monetary value;

NOW, THEREFORE, BE IT RESOLVED that this Board does hereby declare its intention to dedicate an easement over, in, along and through the real property required therefor shown on the map attached hereto as Exhibit "A" and being described in Exhibit "B" attached hereto.

BE IT FURTHER RESOLVED that this dedication of property shall be made to the SANTA CLARA COUNTY FLOOD CONTROL DISTRICT for flood control and/or storm water drainage purposes only; and

BE IT FURTHER RESOLVED, that this Board hereby fixes the day of October 28, 1970, at the hour of 7:00 p.m. at its regular place of meeting, the District Administration Office, 3235 Union Avenue, San Jose, California, as the time and place for a public hearing on the question of making this dedication for said purposes; and the District Superintendent is hereby authorized and directed to post a notice of the passage of this Resolution of Intent in three (3) public places in the Campbell Union High School District not less than ten (10) days before the date set herein for the meeting of the Board and public hearing called for in this Resolution, and he is further authorized and directed to publish said notice once not less than five (5) days prior to said meeting in a newspaper having general circulation in the said District.

PASSED AND ADOPTED this 8th day of October, 1970, by the following vote:

AYES: Rutlen, Arends, Bonanno
NOES: None
ABSENT: Goble, Murphy

Being a portion of the lands of Campbell Union High School District of Santa Clara County, as said lands are described in that certain Final Order and Decree of Condemnation filed in Book 7369 of Official Records at Page 166, and as shown on that certain Record of Survey filed in Book 246 of Maps at Page 34, both documents are in the Office of the Recorder, County of Santa Clara, State of California, to wit:

Beginning at the most southwesterly corner of said lands as shown on said Record of Survey; thence along the westerly line of said lands as shown on said Record of Survey the following six courses: N 09° 16' 17" W 139.41 feet; N 13° 36' 17" W 185.46 feet; N 46° 58' 43" E 353.76 feet; N 21° 31' 17" W 413.16 feet; N 37° 31' 17" W 170.94 feet; and N 09° 16' 10" E 121.34 feet, to the northwesterly corner of that certain easement and right-of-way dedicated to the City of Saratoga in that certain "Offer to Dedicate Property for Street Purposes" filed in Book 8317 of Official Records at Page 74, Santa Clara County Records; thence along the northerly line of said dedication as shown on said Record of Survey S. 82° 17' 02" E. 56.50 feet; thence leaving said northerly line S 07°42' 58" W 21.48 feet; thence along a tangent curve to the left with a radius of 100.00 feet, through a central angle of 31° 21' 20", for an arc distance of 54.73 feet; thence S 23° 38' 22" E 452.51 feet; thence along a tangent curve to the right with a radius of 180.00 feet, through a central angle of 14° 30' 17", for an arc distance of 45.55 feet; thence S 09° 08' 05" E 57.99 feet; thence along a tangent curve to the right with a radius of 120.00 feet, through a central angle of 26° 39' 24", for an arc distance of 55.83 feet; thence S 17° 31' 19" W 123.64 feet; thence along a tangent curve to the right with a radius of 100.00 feet through a central angle of 29° 27' 24" for an arc distance of 51.41 feet; thence S 46° 58' 43" W 59.09 feet; thence along a tangent curve to the left with a radius of 150.00 feet, through a central angle of 80° 36' 00" for an arc distance of 158.65 feet; thence S 13° 37' 17" E 82.24 feet; thence along a tangent curve to the right with a radius of 108.91 feet, through a central angle of 07° 33' 14" for an arc distance of 14.36 feet; thence S 06° 04' 08" E 120.10 feet to a point on the southerly line of said lands as shown on said Record of Survey; thence along said southerly line N 82° 09' 03" W 100.90 feet to the point of beginning.

Containing 2.30 acres of land more or less.

West Valley Sports

by Dick Sparrer

FOOTBALL

Contra Costa College has been a thorn in the side of the West Valley College in each of the past two years of the Camino Norte Conference. And the Vikings don't expect that anything should be different in 1970 as they play host to the Comets Saturday night at 8 p.m. at Los Gatos High School's Helm Field.

Even though the Comets dropped a 45-29 decision to DeAnza last weekend, West Valley head coach Bob Jones still feels that they are one of the top teams in the CNC. "They never seem to do well against DeAnza and then come back real strong against us. They beat us in the last few seconds in 1968 and last year led us 24-6 at one point."

Contra Costa edged Valley 32-27 in their first encounter in 1968 with a score in the final minute of play. Last season WVC came back after trailing 24-6 to eke out a 31-24 victory in their title year.

SOCCER

"We got some momentum going this week and we're playing harder," assessed West Valley College soccer coach Dick Schwendinger even though his squad has lost their last three straight games. "We really controlled the games and played as well as our opponents but just could not score enough."

The Vikings will attempt to put it all together as they open their second half of Western Junior College Soccer Conference play Thursday as they host Diablo Valley College at their Saratoga field in a 3:15 p.m. tilt.

Valley pounded DVC earlier in the year 4-1 on the Concord soil and will look to repeat as they do battle at home. WVC holds a 3-3 conference mark while standing in the middle of the pack in the WJCSC.

WATER POLO

With a four game win streak and a season record of 9-7, the West Valley College water-poloists prepare to open their Camino Norte Conference season Wednesday as they host the College of Marin at 3:30 p.m. at their Saratoga pool.

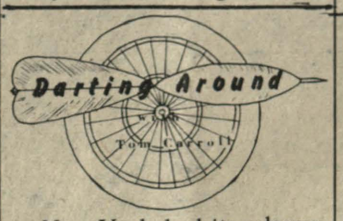
But the real test for the Valley aquamen will come Friday when Cerritos College invades the 'Toga water. Cerritos has beaten WVC in each of the past two years and are always a Southern Cal power.

CROSS-COUNTRY

West Valley College seems to be breezing through their cross-country season without a care in the world. The Vikings have had no trouble with any foe they have faced to date. But Friday will be a different story for the title-minded barriers–West Valley faces DeAnza in Cupertino which could prove to be the meet of the year.

DeAnza edged Valley out of the Camino Norte Conference crown in 1969 and the Vikings will be in search of revenge Friday afternoon. The two teams are picked as the top two in the conference, building pressure for their early season meeting.

SOCK IT TO 'EM---Mike Mullenberg, 1969 all-conference soccer player and this year's team co-captain, will be out to spark West Valley College to victory as they host Diablo Valley on Thursday at 3:15 p.m. at their Saratoga field.



New York had its subway series in baseball but Campbell has its own crosstown series in darts. Gaslighter Theater II and the Black Knight are engaged in a pitched battle to see who is going to hold last place. The Gaslighter's sound defeat by the Scuttlebutt team of Mt. View (10-2) looked like the replay of the Black Knight's defeat at the hands of the same team the week before.

Jim "Robb" Robins and Faye Cupp were the only Gaslighters to win their matches against Doug Edwards and Jack Mehtala, respectively.

Lynn Quam of the Scuttlebutt had high out (48), Mehtala and Quam tied for high score (125), and this reporter had the high in (82). This high in was done the hard way, a bulls-eye, a 20 and a 12. Now I could really say I planned it this way, but in this age of "Tell it like it is, baby" I better admit that the dart slipped.

Gaslighter II's loss and Gaslighter I's tie with the Lancashire Lad II moved the Scuttlebutt into first place ahead of Gaslighter I by three games. Bob Mayer of Lad II sparked his team with high in of 106 and the second high in of 93.

The Lad team jumped to an early lead by taking the first three games. Bob Mayer, Frank Malsbury and Dave Hughey defeating Kip Fanjoy, Ted Allen and Bill Sprecher. Then Jim McCredes and John Glaze took the next two for the Gaslighters, beating Jim Reese and Bob Nichols.

Fanjoy then defeated Mayer, but Allen and McCredes lost the next two to Tom Miller and Dave Hughey. This put the Lad ahead 6-3. The Gaslighter tied it up with Sprecher and Glaze beating Malsbury and Nichols and then taking the second team game. John Glaze had high score of 121.

The Black Knight lost to Lancashire Lad I (8-4) in a game that at one point was tied 4-4. Banbury Clock II won their first three games but then lost the next nine for a final 9-3 win for Clock I.

The South Bay League is well represented on the committees of the Northern California Darts Assn. Jim "Robb" Robins and Carl Aydelotte of Gaslighter II are on the tournament committee.

The vice president of NCDA and member of Banbury Clock I, Rick Miller, is chairman of the publicity committee on which this reporter also serves. The Lancashire Lad is represented on the rules committee by Bob Mayer and Banbury Clock II's Sonny Burry is on the social committee. Sonny promises a swinging good time this season.

Add to your list of Pubs with darts, The Black Watch, 141½ N. Santa Cruz Ave., Los Gatos. Tony Enzalone, owner of the Pub, has the board, lights, etc. and will probably be ready to go by the time this appears in print. Tony hopes to field a team when the spring games start.

Mugs!

GAMES TONIGHT (Oct. 21)

Gaslighter Theater I at Gaslighter Theater II, 400 E. Campbell Ave., Campbell.

Banbury Clock II at Black Knight, 1781 Winchester Blvd., Campbell.

Scuttlebutt at Banbury Clock I, upstairs San Jose Inn, 1860 The Alameda, San Jose.

Lancashire Lad I at Lancashire Lad II, 15797 San Jose Ave., Los Gatos.

GAMES NEXT WEDNESDAY (Oct. 28)

Northern California Darts Assn. Singles Tournament, South Bay League Preliminaries, Lancashire Lad, 15797 San Jose Ave., Los Gatos (8 p.m.)

STAR ELECTION

Campbell Chapter Order of Eastern Star No. 553 will meet Friday, Oct. 23, at the Odd Fellows Hall, 276 E. Campbell Ave., at 8 p.m. All officers will wear white on this occasion, as initiation and election of officers is the order of business.

Local students win prizes

Poetry contest winners for the United Nations Cultural Festival, held Oct. 17 and 18 at the Santa Clara County Fairgrounds, were presented at the opening ceremonies by Mrs. Donald Brondyke, poetry chairman, 12057 Country Squire Lane, Saratoga.

Carrie Peyton, tenth grade student at Del Mar High School won the $15 first prize for her poem "The Border".

Second prize, donated by Mr. and Mrs. Le Roy Hartman of Boardwell Ave., San Jose, went to Linda Fulks, ninth grader at Leigh High School and Robert Zucker of Silver Creek High School accepted third prize, donated by the Country Squire Lane Club of Saratoga.

Honorable mentions were given to Kim Shepherd, Monta Vista High School; Dawn Chiang and Judy Beaver of Gunn Senior High of Palo Alto; Jeff Edman, Del Mar High School and Alan Stewart, Piedmont Hills High School.

Jeff Edman lives at 1310 E. Campbell Ave.

TRAILS

There are 14,500 miles of riding and hiking trails in the National Forests of California.

Local drivers race at Laguna

By Tom Carroll

Campbell racing drivers faired pretty well in last weekend's Sports Car Club of America's regional races at Laguna Seca Raceway in Monterey.

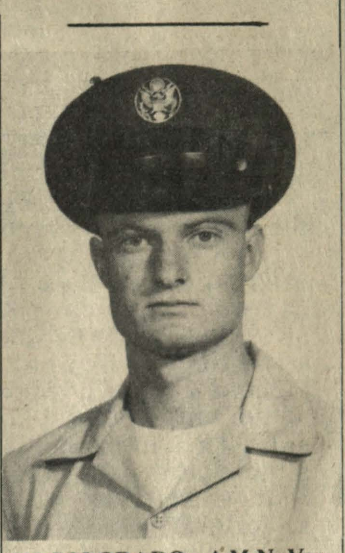
Frank Leary tooled his green Healy to a fourth place finish in the last race on Saturday. While Leary was fourth in the overall standings he was second in Class A Sports Racing Cars. Earlier in the day Pete Swan drove his Lotus Formula Ford to tenth place overall and a fifth in his class.

In Sunday's racing, J. F. Wellington drove his Porsche to a fifth overall and a fourth in class C. production, while Bill Fitch of Los Gatos won the Formula Vee race with Bill Young of Los Gatos taking seventh.

GRADUATES FROM ANDREWS UNIVERSITY

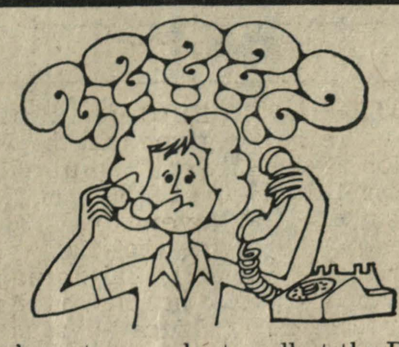
Miss Marianne Angel Patton, daughter of Mr. and Mrs. Ernest M. Patton of 1365 Harriet Ave., graduated from Andrews University, Berrien Springs, Michigan, recently, with a master of arts degree in education.

Miss Patton was one of 216 students who obtained degrees from Andrews University this summer. One hundred and one students graduated from the School of Graduate Studies, 39 students received degrees from the Seventh-day Adventist Theological Seminary, and 76 students graduated from the College.



IN COLORADO---A.M.N. Van Keith Gentry, son of Mr. and Mrs. E. L. Gentry, of 1130 Audrey Ave., is currently serving as a Materials Maintenance Specialist at Lowry AFB in Colorado. Young Gentry is a graduate of Westmont High School, class of 1970.

THE PHONE BOOTH



If you're not sure who to call at the Phone Company for certain services, here's a list I thought you'd find helpful:

To order a phone,
To get a different kind of phone service,
To transfer service to a new home,
To change or add a listing in the phone book,
To ask a question about your bill,
To check rates for a particular kind of service,
To get an additional phone book,
To get a free personal directory,
To get help if you've received anonymous calls,
To ask about phone service for a handicapped person,
– CALL YOUR BUSINESS OFFICE AT 288-9000

If your phone doesn't work,
If you find a pay phone out of order,
– CALL REPAIR SERVICE AT 611 (Business Office and Repair Service numbers are also listed in the front pages of your phone book.)

To place a long distance call you can't dial direct,
To arrange for a conference call,
To call overseas,
To find out long distance rates not listed in the phone book,
To obtain credit for a misdialed long distance call,
—DIAL "O" FOR OPERATOR.

Telephone lines can carry "conversations" between computers as well as people, and they can "talk" so fast that a new word—megabit—is being used. A megabit is one million bits or pieces of information. Someday it may be possible to transmit 60 megabits per second, which would be like sending the contents of a big-city telephone directory in less than the span of a single breath.

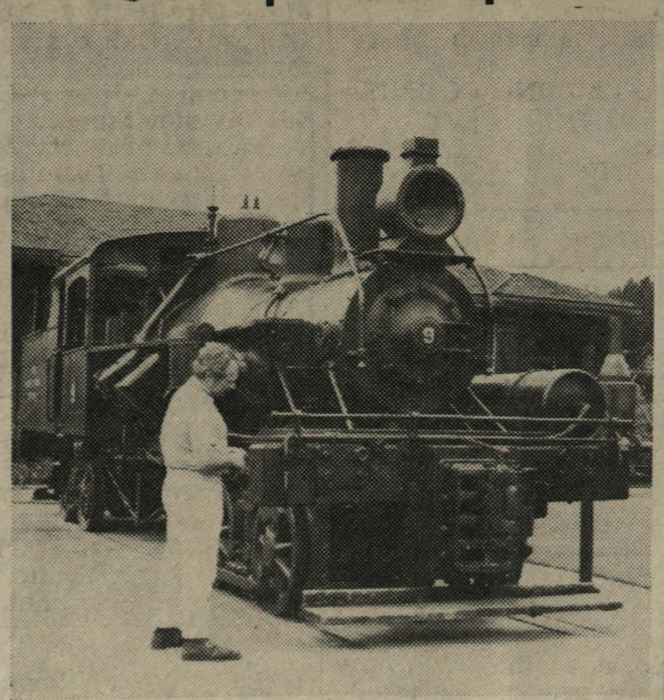
Drive through redwood groves provides experience



A drive through the main redwood groves of California that lie just south and north of Eureka is one of the most magnificent journeys to be had anywhere in the West. It matters not whether you have made the trip before. Passing along the highway beneath awesome stands of timber or walking quietly through a cathedral-like grove is an unforgettable experience.

Some of California's most impressive redwood forests lie along the Redwood Highway, U.S. 101 between Garberville and Rio Dell, says the California State Automobile Association. Just north of Garberville you leave Highway 101 to visit the first grove of trees in Humboldt Redwoods State Park, the Holbrook Grove. Then a few miles further north along 101 you again leave the freeway and take the Avenue of the Giants which proceeds through the heart of all the groves that are strung out between Phillipsville and Scotia.

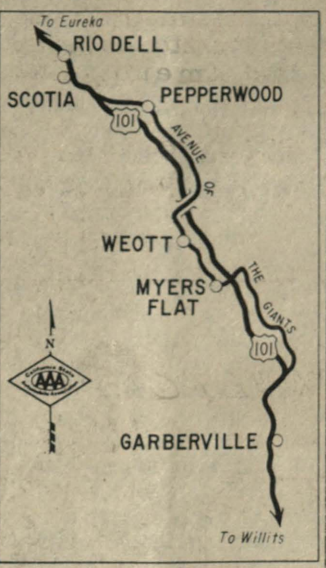
Humboldt Redwoods State Park comprises almost 40,000 acres. Two of the tallest trees in the world are here -- the Rockefeller Tree and the Founders' Tree. Both are situated just a short drive north of Weott.

Some of the finest state campgrounds are in the redwoods. One is Richardson Grove just south of Garberville. Three others, Burlington, Hidden Springs and Albee Creek are further north near Myers Flat and Weott.

At Scotia you can visit the Pacific Lumber Company and one of the few remaining company towns left in America. The entire town is devoted to the huge drying yards, sawmills and plants of the lumber company which has been in continuous operation since 1869. There is a museum here where you can see old photographs and historical mementos of the lumbering activity in the redwood region.

Next to the museum is an old Heisler locomotive originally built for the excursion run on Mount Tamalpais in Marin County. Later it was used as a logging locomotive until it was retired some years ago.

Visitors can also avail themselves of a free self-guided tour of the lumbering operations through one of the sawmills and the factory. The route is marked by yellow arrows and at each place of interest you will find a card describing the process at that point.



And one thing nice about a drive along the Redwood Highway is that you can make the trip any time. The camping areas and groves are open all year and the mild coastal climate is just as appealing in winter as it is in summer.

YOUNG HELPERS---Russell Gartz and Chrisanne Beebe lend willing hands to help make the Flea Market at Bohnett School on Saturdav. Oct. 24, a big success. The sale will be held in the school's parking lot at 2275 S. Bascom from 9:30 a.m. to 3 p.m. A 10 x 20 sales space may be rented by calling Mrs. Rosalie Fournier, 377-1836. Students like Russell, son of Mr. and Mrs. Gordon Gartz, and Chrisanne, daughter of Mr. and Mrs. Richard Beebe, are assisting the Home and School Club, sponsors of the activity.

HOSPITAL SHOW---Lisa Gay Ramsey, 9, whose grandmother, Mrs. Florence Ramsey of 348 Kuehnis, is an employee of The Good Samaritan Hospital, will be one of the featured performers in the hospital employees' variety show scheduled for 8 p.m. Saturday in Old Town Theatre, Los Gatos. Here, she compares costumes with Mrs. Susan Holloway, R. T., another performer. Tickets are available in the hospital's personnel office or may be purchased at the theater on the night of the performance.

FOOTBALL WINNER

One Campbell boy placed in the recent competition of the Punt, Pass & Kick contest sponsored by Paul Swanson Ford. Russ Casteel, 9, Rosemary school fourth grader placed third in the contest held at Fisher school and received a football trophy.

PARTY DECORATIONS --- Mrs. Fran Carlson, Mrs. Russell Bearrows, Mrs. Maisie Flanders and Mrs. Lee McKeever, president of Campbell High School District California School Employees Association chapter, make cornucopias for table decorations for the benefit party and game night to be held Friday, Oct. 23, at Campbell High School. Proceeds will go toward student scholarships.

Employees hold benefit party

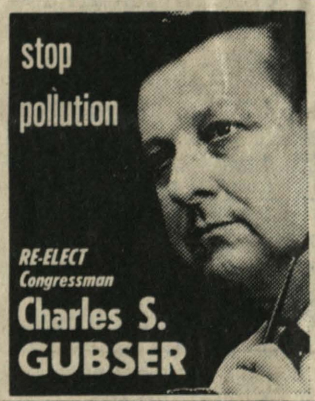
Milton Nelson will be the master of ceremonies at the Campbell High School District Employees' Scholarship Benefit party to be held on this Friday, Oct. 23.

The evening will begin with dessert in the Campbell High School cafeteria at 8 p.m.

Proceeds will go towards the CSEA (California School Employees Association) Scholarships given each year to local high school students.

Three such scholarships were awarded last June by this group. Recipients were Rosanne Wood, daughter of Mr. and Mrs. Feeman Wood of Campbell, who is now attending West Valley College; Shannon Haire, daughter of Mrs. Dee Haire, is attending University of Santa Clara, and Marilyn Deis, daughter of Mrs. Mae Deis, is attending San Jose State. Rosanne is a graduate of Campbell High while Shannon graduated from James Lick High, and Marilyn graduated from Leigh High School.

The CSEA hopes to be able to give even more scholarships next June. Mrs. Leonora McKeever is president.



Local Law Enforcement
Looks for Leadership

On Sept. 23 a total of 502 law enforcement personnel from all over Santa Clara County gathered at Alpine Park, San Jose, to help launch the campaign to elect Sam Della Maggiore County Sheriff.

The large group included police officers, sheriff's deputies, probation personnel, matrons, secretaries and clerks from 51 of the 52 enforcement agencies in the county.

Representatives from every city having its own police protection agency, from Gilroy to Palo Alto, bought tickets to the dinner. Many retired police officers also were present.

Local law enforcement knows the situation in the Sheriff's Department. They know that Sam Della Maggiore has the leadership and administrative experience to improve and up-grade county law enforcement. His opponent has shown he lacks these all-important qualifications for this key administrative position.

Della Maggiore has proposed constructive programs to restore morale and to make the sheriff's department an efficient organization and establish strong communication and cooperation between the sheriff's office and other county enforcement agencies.

This proven leader has consistently demonstrated the courage, integrity and administrative skill to put these programs into action.

Della Maggiore is the only candidate who can provide coordinated county-wide law enforcement and make your neighborhood a safer place in which to live.

RE-ELECT
Senator Clark L.
BRADLEY
14th Senatorial District

- ✓ SUPPORTED *the Environmental Quality Act of 1970 requiring all state and local agencies to consider the impact of their programs on the environment in advance*
- ✓ SUPPORTED *the Mulford-Carrel Act of 1967 establishing the state-wide Air Resources Board; the first of its kind*
- ✓ COAUTHORED *legislation to ban such harmful pesticides as DDT and DDD*

Wine tasting sponsored by hospital auxiliary

Sunday, Nov. 1, is the day that has been set aside for a wine tasting party to be sponsored by the Campbell Community Hospital Auxiliary. The event is to take place from 4-6 p.m. in the Skyline Room of The Towers in the PruneYard Center, Bascom and Campbell Avenues.

Entertainment for the affair will be provided by "Luther Martin's Guitar" under the direction of Werner Haase, with Richard Cesar and Steve Martin. Peggie Mattison, president of the hospital auxiliary has arranged for the wines to be donated by Mirassou Winery.

The purpose of the affair, as explained by Mrs. Mattison, "is to provide for the hospital and the patients equipment and supplies that they have long needed." She went on to say that this could include new equipment as well as new decorations and supplies for the rooms.

The hospital is not supported by any community funds and operates solely upon the fees that they charge for the services that they render. This is the first time in the seven year history of the hospital that they have asked for the support of the community through an effort such as this.

Mrs. Edward Martin, business manager of the hospital said "I am very pleased with the response that we have received from the members of the community in this effort. If the ticket sales continue to go as they have been, we will be able to purchase the material that we have long needed to further enhance our services to our patients."

Tickets for the affair are available for the donation price of $3 per couple by calling social chairman, Birdie Hammer, 248-9624 or Mrs. Martin at the hospital, 378-0264, or Mrs. Joseph Kovar, 379-1877.

The hospital, located at 1650 Winchester Blvd. in Campbell, was founded in January of 1963 and is capable of serving 48 patients. They have complete emergency room services as well as intensive care and cardiac control units.

The auxiliary serves the patients by delivering mail, flowers, reading to them, and operating a gift shop.

Mrs. Sidney Hammer, social chairman for the event, expressed the hope that "the party will be a complete success and that after it is over, the members of our community will continue to recognize the benefits that the hospital offers to the citizens of Campbell and continue to support our efforts."

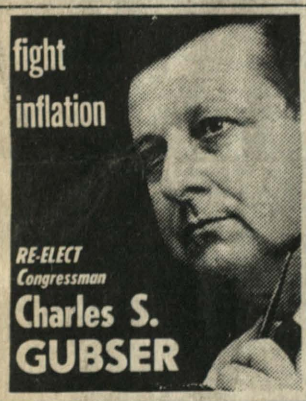
PERFORMS AT TASTING--"Luther Martin's Guitar" is the name of the young group who'll perform for Campbell Community Hospital Auxiliary's wine-tasting Nov. 1 in the Skyline Room at The Towers. Members are, left to right: Steve Martin, Werner Haase, and Richard Cesar.

PLANNING TO ATTEND---Three staff members of Campbell Community Hospital plan to attend the wine-tasting planned by the hospital auxiliary in the Skyline Room at The Towers on Sunday, Nov. 1. Left to right are Mrs. Derry Zinacle, R.N., Mrs. Bessie Vizuzzi, nursing supervisor and Mrs. Ethel Kelly, nurses aide.

PRESENTS TICKETS---Mrs. Peggie Mattison (right) vice-president of Campbell Community Hospital Auxiliary, presents tickets to the auxiliary's wine-tasting to be held Nov. 1 to Miss Rita Nickodem, director of nursing, and Dr. Ernest M. Thomas, chief of staff.

BAZAAR

Women of the Moose, No. 1759, are holding a bazaar at the Campbell Moose Lodge, 875 McGlincey Lane on Oct. 24 and invites the public to participate in a day of games, food and fun.



Sgt. A. Petralia's unit wins AF memorial trophy

SGT. A. PETRALIA

Sergeant Anthony S. Petralia, son of Mrs. Jennie F. Petralia of 663 Budd Ave., Campbell, is a member of the unit that has won the Chennault Memorial Trophy for 1970.

The trophy – a tribute to Lieutenant General Claire Lee Chennault, the founder and wartime leader of the famed Flying Tigers who flew in China during World War II – is presented annually by the Fourteenth Air Force Association to the outstanding unit in the Aerospace Defense Command's (ADC) Fourteenth Aerospace Force.

Sergeant Petralia is a U. S. Air Force electronic computer repairman with the 20th Surveillance Squadron at Eglin AFB, Fla. His unit is responsible for operation of the world's first space-age radar system, which is designed specifically for satellite detection and tracking.

The sergeant is a 1964 graduate of Campbell High School and attended West Valley College and Okaloosa Walton Junior College, Niceville, Fla.

His wife, Janet, is the daughter of Mr. and Mrs. R. S. Van Wingerden of 18533 Paseo Lado, Saratoga, Calif.

Van Meter talks on epilepsy

Teachers, counselors, nurses and the general public are invited to a program about epilepsy co-sponsored by Epsilon Nu and Epsilon Rho Chapter of Delta Theta Tau sororities.

The program will be held in the San Jose Health Dept., 151 W. Mission St. on Thursday, Oct. 22, at 8 p.m.

The program is free of charge and will include a question and answer period. Featured speaker is J. Ray Van Meter, M.D. formerly Associate Professor of Neurology at University of California Medical Center.

Letters to the Editor

WHAT'S COOKING

To The Campbell Press
Re: Elementary School Board Issue

It is rather amusing and at the same time extremely sad that when the fat begins to fry there are so many cooks who rush to proclaim loudly, "How could you let it burn like that?" – WE will help you now!" These cooks (Johnny-come-latelies) do not know what the recipe called for and whether or not this may be the final flambe of the gourmet entre.

Being a housewife (hence the previous female comparison), a former teacher, mother of children in the Campbell schools, and the wife of a teacher – I am perhaps more involved than most with the actions of the school board. However, this interest has been active over a considerable number of years and not within just the last month, as with some of the "concerned citizens".

How is it possible to form a valid judgement of what is right or wrong on the basis of attendance at one or two meetings? How is it possible for these people to become such authorities of the situation when so many, in fact, have not even voted to determine these various board members?

It is all too easy to jump to conclusions on the mere "say-so" of a friend or neighbor who will give them their own biased opinion of the situation. It is even difficult to get a straight answer from the local papers.

My advice is this: Please contact your local school as to the dates and places of the board meetings and ATTEND so that you may see for yourself the actions of the board and others present. It is an experience which will open your eyes to what is really going on.

FORM YOUR OWN OPINION FROM YOUR OWN EXPERIENCE.

In conclusion, I would ask that in the future you, Mr. Vierhus, leave your cheerleading to the sports field and not submit to your over-emotional outbursts at any forthcoming meetings.

Dorothy Mitchell

Mary Leakey leads United Fund drive

More than 10,000 residents in Campbell and throughout Santa Clara County will be hearing from Mrs. Mary M. Leakey, of 18640 Harleigh Dr., Saratoga, residential chairman for United Fund, and given the opportunity to contribute to the 1970 "Reach Out" drive.

Assisted by volunteers from United Fund agencies, Mrs. Leakey is putting together a mailing drive to provide previous long-term givers and retired persons the opportunity to participate in this year's drive. All will not have been previously contacted through their usual places of employment.

Residents in San Jose, Campbell, Santa Clara, Milpitas, Sunnyvale, Los Gatos, Mountain View, Gilroy and Morgan Hill will be included in the effort, according to the chairwoman. She hopes to raise more than $25,000 among the communities.

"With agency needs as great as they are this year," said Mrs. Leakey, "help from all segments of the community is especially critical. Every contribution will help to supply the financial muscle needed to keep United Fund's 99 community services working in all areas of human need."

County-wide, last year $50,112 was raised from individual residential contributors for the support of United Fund human care services in 1970. All divisions in that drive reported a $3,684,101 success, the minimum target for this year's entire effort.

Those United Fund agencies assisting in the drive are the Children's Home Society, San Jose Day Nursery, Camp Fire Girls and St. Elizabeth's Day Home.

LEGAL NOTICE

ORDINANCE NO. 749

BEING AN ORDINANCE OF THE CITY OF CAMPBELL DELETING SECTION 9314.3(4), CHAPTER 3, ARTICLE IX OF THE CAMPBELL MUNICIPAL CODE AND ADOPTING A NEW SECTION 9314.3(4) OF CHAPTER 3, ARTICLE IX OF THE CAMPBELL MUNICIPAL CODE, ENTITLED PLANNING AND ZONING, PERTAINING TO A DRIVE-IN THEATRE OPERATION.

The City Council of the City of Campbell does ordain as follows:

SECTION ONE: That the following section of Chapter 3, Article IX of the Campbell Municipal Code, entitled Plannning and Zoning, be and the same is hereby repealed: Section 9314.3(4).

SECTION TWO: That the following section be and the same is hereby enacted as a part of Chapter 3, Article IX of the Campbell Municipal Code providing for controls for a drive-in theatre operation.

(4) Drive-In Theatre, subject to compliance with the following conditions:
- (a) The Planning Commission shall find that the proposed location is such that the use will not be objectionable, harmful or detrimental to the health, safety or peace of persons residing in the area and that it shall not be detrimental or harmful to the existing future development of the area.
- (b) Site layout, driveway access (ingress and egress), recreational areas, and design of all buildings, screens, fencing and landscaping shall be approved by the Planning Commission as provided by Section 9316 of the Campbell Municipal Code.
- (c) Site location shall be a minimum of ten (10) acres.
- (d) Drive-in theatre operations, including entrance and exit, shall be located not less than 1000' from any property zoned or planned for residential development. A distance less than 1000' may be approved by the Planning Commission or City Council upon findings that the establishment, operation, and location of the use will not be detrimental to the health, safety, peace, morals, comfort or general welfare of persons residing or working in the neighborhood of the use, or be detrimental or injurious to property and improvements in the neighborhood or to the general welfare of the City.
- (e) The screen or screens shall be designed and oriented so as to prevent glare, reflection or distraction to motorists on any adjoining streets or to residents within the vicinity.
- (f) The entire area including driveways, shall be enclosed within a fence or wall as required by the Planning Commission at the time of Architectural Approval.
- (g) In addition to the fencing mentioned in paragraph (f), landscaping, which in the opinion of the Planning Commission is necessary to screen the area, shall be provided. A Faithful Performance Bond in an amount great enough to insure fencing and landscaping shall be posted.
- (h) The entire area to be used for parking and driveways shall be paved with a surfacing specified by the Building Official.
- (i) Policing of the area shall be provided by the owner/operator as determined by the Chief of Police. Any cost incurred by the City for policing action shall be reimbursed by the theatre operator.
- (j) Provisions which, in the opinion of the Fire Department are adequate, to insure maximum fire prevention, trash disposal, collection and disposal of debris and weed control, shall be provided and maintained by the owner/operator.
- (k) All utilities shall be underground as specified by Section 9110.6 of the Campbell Municipal Code.
- (l) Automatic shut-off device to be provided for all car speakers so that they will not emit sound when not in use within an automobile.
- (m) There shall be no outside loud speakers permitted for any purpose.
- (n) The screen or screens shall be occupied at all times during intermission or change in program, by advertising, cartoons or news, etc., so as to discourage the honking of horns or other noise-making device.
- (o) Any signs for advertising shall be erected in accordance with Sections 9330 through 9330.8.
- (p) Provisions which, in the opinion of the Planning Commission, are necessary to insure maximum sound control at the perimeter of the Drive-In Theatre site, shall be provided.
- (q) Site shall have immediate access to a major thoroughfare.

PASSED AND ADOPTED this 13th day of October, 1970, by the following roll call vote:

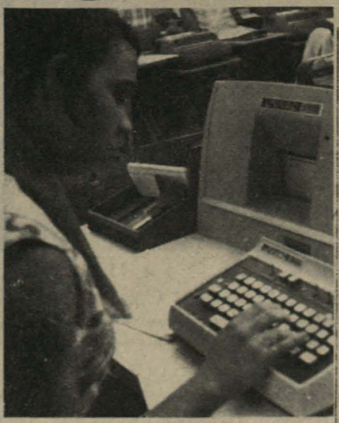
Adult ed expands to hold data classes



by Shirley Hartman

As many Campbellites know, local headquarters for Metropolitan Adult Education shifted this year to the roomier annex at 1224 Del Mar Ave., next to Del Mar High School.

What they may not know is that the building houses a beehive of activity from morning till night, including one of the most comprehensive certificate programs in data processing found anywhere.

Formerly the Campbell Union High School District Administration Building, the office has been turned upside down by adult education to make the most of available space.

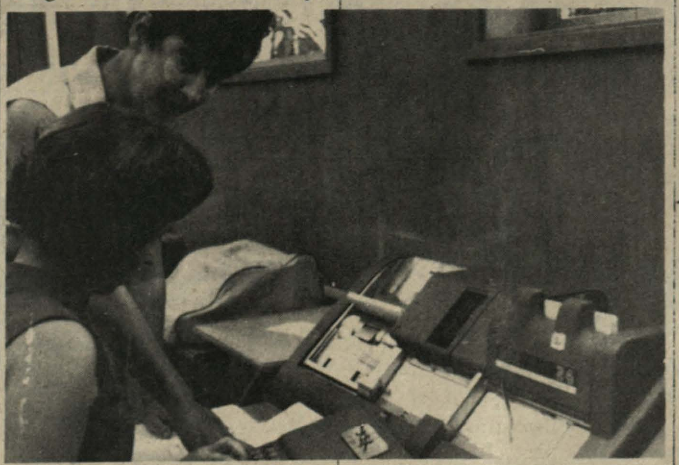
More than 40 classes rotate through its five rooms during the week, with a possible head count of 110 students and administrative personnel in attendance at one time.

Add to this the noise of typing classes and the clatter of keypunch machines, by anyone's terms, you've got an energetic educational team!

Business courses, which include data processing, dominate much of the curriculum held in the annex.

Of the seven course required for the Certificate in Automated Data Processing, six are offered at the Del Mar location. These include Beginning and Intermediate Keypunch, Card System Workshop, Introduction to Data Processing, Introduction to Computers, and a Work Experience Program.

New "third generation" equipment includes IBM 029 keypunch machines, a UNIVAC 1710 punch, and a Burroughs electronic mini-computer with card reader.

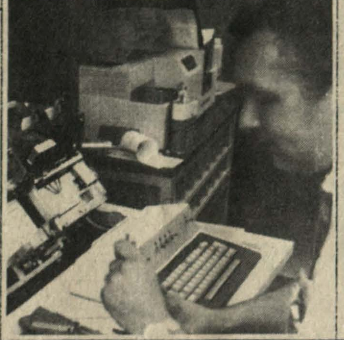


Thanks to recent policy change, students interested in becoming keypunch operators can now enter training classes any time a seat is available.

All others will be beginning again in mid-November, including a Saturday morning addition, Computer and Electronic Data Processing, for "hands-on" experience and programming language assistance.

Other annex courses span Office Occupations Lab, Elementary and High School Subjects Lab, Stenotype 1A, Clothing 3A, Applied Dress Design, Math (all levels), First Aid and Photography.

Register at the annex now for the courses of your choice. All cost $1.75, plus any materials fee. Phone 292-2737 for further information; we'll be waiting for you!



MARINE BAND---Slated to appear at San Jose Civic Auditorium on Thursday, Oct. 22, is the U.S. Marine Band, the "presidents own" as part of a nine-week tour covering 15 states. The band is performing twice daily, seven days a week. The San Jose appearances are under the auspices of the South San Jose and Los Gatos Kiwanis clubs. Admission charged by the sponsors goes toward charity projects.

ECOLOGY

Vinson Brown, naturalist and author of numerous books on ecology, Indians, and nature, will lead a seminar on the ecological challenge of today at 7:30 p.m., Thursday, Oct. 22, at the new San Jose City Library, 180 W. San Carlos St. in the Community room. Admission is free and refreshments will be served.

Baby daughter born to Ritters

Lt. and Mrs. Kirt Ritter, Jr., are the parents of a baby girl, born Saturday, Oct. 10 in the Air Force base hospital in San Antonio, Texas.

Grandparents of Valerie Lynn are Mr. and Mrs. Kurt Ritter, 119 Alice Ave., Campbell and Mr. and Mrs. Julian Floyd of Sunnyvale.

NO CANDIDATE

A statement has been released by William J. "Bill" Homan, stating that he is NOT a Republican candidate for the Fourteenth Senatorial District. Homan said he has not filed the required documents with the Secretary of State and cannot be considered an official write-in candidate.

NO MONEY

Former Vice Presidents of the United States received no pension.

Letters to the Editor

PREJUDICED

Dear Editor:

Your display at the October 8 Campbell Union School District Board Meeting and your involvement in the proposed recall election, demonstrates clearly that you may have abandoned your role as a reporter of the facts.

Since you are now helping to make the news rather than merely reporting the news I request that you clearly state your prejudiced position preceding all articles involving C.U.S.D.

Very truly yours,
Herb Wadley,
President

LEFT AND RIGHT

Dear Editor:

Mr. Gordon G. Martin, CUSD Representative of WVFT-AFT Local 1953 chooses to conglomorate all those who oppose family life education with those who oppose ecology and or integration and further categorizes these same individuals as "the radical right." This, of course, is absurd and prejudicial and if actually believed by him is a statement born of a lack of understanding.

It is fairly common knowledge that the laws of nature are immutable and one of these laws is that "every condition has its opposite." Based on this truth, we naturally must deduct IF Mr. Martin's statement were to be accepted, that all those who teach and or advocate family life education, and or ecology and integration are radical left, which is equally absurd.

Here, we see in operation the forces of polarization (or law of opposites) set in motion by a careless statement.

One would, of course, have to know more in detail exactly what is in Mr. Martin's mind when he speaks of radical right. If he means all those who oppose his views and the teaching philosophy that my children have experienced at their schools, then I, personally, would be happy for him to call me any name he chooses as long as he makes it absolutely clear that I oppose his ideas vigorously and energetically.

Let us dispense with name-calling and categorizing which both have their roots in desperation and ignorance and look more deeply to the motive and understanding of the individual. After all–we ARE all human!

Mrs. Marilyn Hillyer
3730 Century Drive
Campbell, California

COMPLIMENTS

To The Editor:

I would like to compliment The Campbell Press for their articles regarding the recent "shake-up" in our School District, and for being open minded and printing Mr. Martin's recent letter.

As a mother of six, five in our Campbell School District and a citizen of Campbell for the past four years, I too would like to express an opinion.

Like most citizens of Campbell, I am very interested in my children's welfare and where my taxes are distributed; therefore, that is why I attended the citizens meeting held two weeks ago following Mr. Royer's demotion. I am not a personal friend of Mr. Royer's nor know any of the school trustees personally, so I went to the meeting to get facts and suitable answers.

I did not get any suitable answers as to why Mr. Royer was demoted or why our finances are in a mess; just accusations, nit-picking, and apparent personality problems and political problems seemingly within our school trustees.

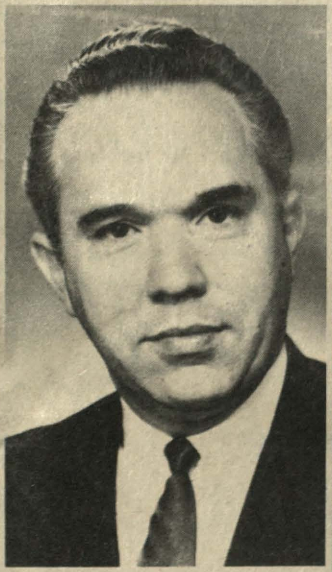
I was very shocked and upset with Mr. Martin's statements regarding "closed executive meetings" that he knew so much about, and we know so little.

Therefore, disregarding Mr. Royer's demotion, our finance problems and others, I support a recall petition on the two trustees as I feel they will not be able to function constructively for the betterment of the Campbell School District. "Divided we fall, united we stand" and I feel in all simple honesty that this best describes our present board of trustees.

Sincerely,
Mrs. Carol Casteel
454 Queens Ct.

BEETLES FIGHT

In 1945 when the U.S. Department of Agriculture permitted release of European beetles in Oregon and California to fight Klamath weed, it was the first attempt in North America to control a plant with insects.



LEADS CONFERENCE---Dr. Earl Radmacher, president of the Western Baptist Seminary, Portland, Oregon, will lead a nightly conference at 7 p.m. from Oct. 25 to Oct. 30, at Saratoga Ave. Baptist Church across from Westgate Shopping Center. Dr. Radmacher also is scheduled to speak at Sunday services at 8:30 a.m. and 11 a.m. Sermon topics are "A Sermon From My Body" and "Recognizing and and Developing Spiritual Gifts."

VANDALISM AT PARK

Dear Editor:

Since taking on the project of building a youth baseball diamond and club/community house at Campbell's Rincon Park, the Campbell-Moreland Pony League organization (officially Boys Baseball, Inc.) has been plagued with senseless vandalism. Many may not know it, but a good deal of the material and most of the labor has been donated to the project with the hard-working league parents constantly out selling the project to local business organizations which have responded in a marvelous way.

There has also been tremendous support, moral and financial, from the city administration from the mayor's office, the city council, the city manager and on through the parks & recreation commission.

Evidently the off-spring of some of our local families do not support the project, however. Assuming the vandals are children, not adults. A look at a list of the destruction that has been heaped upon the project is enough to make one wonder why and how these dedicated Pony Leaguers continue.

The following list was compiled on the spur of the moment by a few of the league "old-timers" - meaning that it doesn't begin to be complete.

Starting in early 1969 when the project was first underway:

1. A trenching machine, loaned by the Telephone Company for installation of underground sprinklers, etc., was stripped and the tires punctured.
2. Sprinkler pipes were repeatedly broken and trenches filled in. A control valve was destroyed - replacement cost $80.
3. Fence posts were knocked down as fast as they could be installed.
4. After that battle was won and the fence completed, sections of it were pulled down.
5. When the new grass was planted, it was constantly torn up and damaged by motorcycle and bicycle riders.
6. A welding machine valued at $250 was stolen.
7. The motor from the League's lawn mower was stolen - value $75.

During the 1969 season when the field was in use, the vandalism continued:

1. A $90 metal building, used as a temporary snack bar, was damaged beyond repair.
2. Flood lights, installed as a night-time deterrent to further vandalism, were repeatedly broken.
3. A small structure to house the sprinkler control system was attacked on several occasions, and the vandals finally succeeded in damaging the sprinkler timing mechanism.
4. Plastic outfield signs which displayed advertising for merchants who support the league, were the object of extensive damage. Replacement costs averaged $150 each.
5. Approximately 100 concrete blocks were broken beyond use while the building was being constructed, and plumbing above the concrete slab was broken.

And almost the crowning touch occurred sometime this month (see photos):

1. Windows were completely destroyed in the two completed rooms.
2. Extensive damage was done to the wash basins and toilets in the restrooms by rocks hurled through the broken windows.
3. A tile wall inside the other room sustained extensive damage when vandals tried to break through from the other side.
4. The two locked doors have been subjected to repeated batterings to the point where they cannot be opened normally.
5. A large hole was made in the wall of the scorekeepers' and announcers' booth located on top of the building.
6. A section of fence was torn down.
7. The locked dugouts have been repeatedly damaged; entry was gained into one, and equipment storage racks destroyed.

Rincon Park, Campbell, California, which received much praise from tournament visitors from Richmond, Monterey and Santa Clara last August, is gradually being destroyed by home town vandals. Why?. That question remains an enigma to all the Pony League parents who have put their hearts and souls into the project. Why? And about now the city is ready to commit large sums of money to build the complete park.

Can we look forward to its being torn down as fast as it's constructed? Why??

One Pony League officer summed it up quite well:

"Stealing I can understand - the thief can profit from that - but wanton destruction of a project being built for youth recreation, I cannot fathom. We are trying to finish the project, close up the building to cut down some of the vandalism, but right now it looks like we can just barely stay even with repairs let alone move ahead and complete the job.

I don't know - sometimes we think "Fort Rincon" would be a better name in light of the measures we have to take to protect the field house and the field. It's very discouraging...

Someone donates a lot of material - like the restroom fixtures - and then they're destroyed! We can't just go and ask for a new set. Boy, we sure could use some help to stop the vandalism and complete the job."

Sincerely,
John Smurthwaite,
vice president
Campbell-Moreland
Pony League

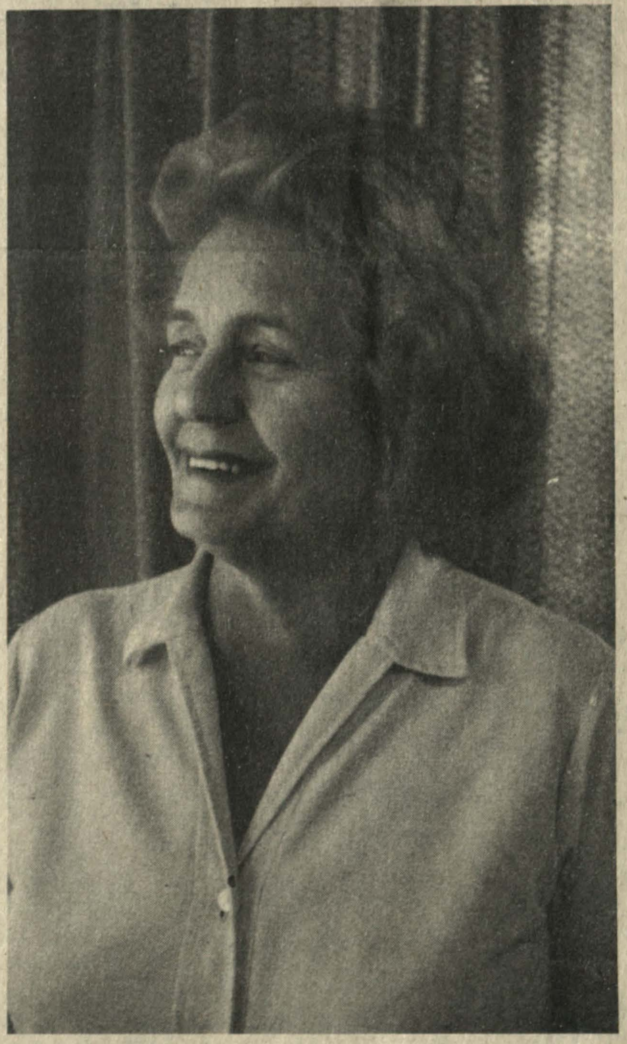
BUSINESS WOMEN'S WEEK



MRS. ALMA F. FANNING

We CONGRATULATE You....

This is National Businesswomen's Week, and we are proud to salute the Campbell Business and Professional Women's Club in their choice of Mrs. Alma F. Fanning as the Campbell BPW "Woman of the Year"! As a charter member of the Campbell BPW, Mrs. Fanning has served with distinction in every office, including three terms as president. She has taken an active part in civic affairs in our community from the time she served on the city's incorporation committee in 1952.

For the past 32 years, Benson's CAMPBELL CLEANERS have provided folks in the Campbell area with the finest dry cleaning service available. During these years our skilled staff has consistently kept up with the constant changes in materials, methods and the most efficient equipment.

For your added convenience, we have a covered all-season drive-up service with pleasant, courteous "car hops" to receive your garments and to process them through our plant.
